POSITIVE PROFIT ALERT

This announcement is made by Kinetix Systems Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “Board”) of directors (the “Directors”) of the Company wishes to inform the shareholders (the “Shareholders”) and potential investors of the Company that, based on the information currently available and preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025, the Group is expected to record a net profit of approximately HK\$3.1 million, as compared to a net loss of approximately HK\$0.62 million for the six months ended 30 June 2024 (the “Prior Period”).

The Board considered that the aforementioned increase in profit was mainly attributable to the following reasons: (i) an increase in revenue generated from IT infrastructure solution services, and (ii) a decrease in selling and administrative expenses resulting from the cost control policy implemented.

The information above is based only on management’s preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the information currently available, which has not been reviewed by the Audit Committee of the Company. The Company is in the process of finalising the Group’s interim results for the six months ended 30 June 2025, which is expected to be published before the end of August 2025 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
